Dear [Representative's Name],

I am writing to you as a constituent from [Your Town/Area] regarding environmental concerns in our community.

[Specific environmental issue/concern - briefly describe the local environmental situation that worries you]

This matter is important to me because [explain personal connection/impact - e.g., "I am concerned about the impact on local wildlife" or "this affects the air quality my children breathe"].

I understand that as my [MP/MSP/MS], you have the power to [specific action - e.g., "raise this issue in Parliament" or "advocate for stronger environmental protections"]. I would appreciate if you could:

1. [Request specific action point]
2. [Request specific action point]
3. Let me know your position on this issue

I look forward to hearing your response on how you plan to address these environmental concerns on behalf of your constituents.

Yours sincerely,
